July 1, 2017

One highlight of this month's [ScienceFest](#) is a free screening of [Dream Big: Engineering Our World](#), a movie that takes viewers on a journey of discovery from the world's tallest building to a bridge higher than the clouds and a solar car race in Australia. The film is narrated by Academy Award-winner Jeff Bridges and offers a fresh perspective on engineering by inspiring kids of diverse backgrounds to become the innovators, educators, and leaders who will improve the lives of people around the world. *Dream Big* is the perfect encapsulation of what engineering is all about: ordinary people finding ways to defy the impossible and change the world, and their own lives, in the process.

The movie plays in both theaters at the Reel Deal Theater in Los Alamos at 10 a.m. on July 15. The screening is free, and seating is first-come, first serve. Watch the trailer [here](#):

Another successful Teen Biz Challenge

Congratulations to local teens who participated in the Teen Biz Challenge on June 8–9 in Española.

During the event, teens learned about entrepreneurship and pitched original business ideas. The winners are as follows:

- First Place: We Load It, You Float It—Miranda and Kameryn Lopez
- Second Place: U Think Systems—Haven Hennelly and Jose Ortega
- Third Place: Bolitas and Biscochitos—Esperanza Ortega-Tapia
- Fourth Place: Royal Paw Resort—Cassy Caballero, Cynthia Caballero, and Analeez Atencio

Teens created their own businesses and won money at the Española Valley Teen Biz Challenge at the Española Valley Convento y Mision.

ProcessQM offers nuclear quality assurance training in Los Alamos

This month, a quality management company called [ProcessQM](#) is bringing in top experts in the nuclear industry for a three-day ASME NQA-1 Lead Auditor course (July 10–12) and a two-day Commercial Grade Dedication (CGD) course (July 13–14).

Both classes offer CEU credits (four credits total). In addition, Project Management Institute members will earn 15 PDUs for attending the NQA-1 Lead Auditor Training.

The classes will be held at the Los Alamos Chamber of Commerce (109 Central Park Square) from 8:30 a.m.–5:30 p.m.

For additional information and registration please visit processqm.com/training/ or e-mail info@processqm.com.
